

Bar supervisor

Can you function as a role model for other bartenders? Are you able to foresee problems and take timely action? Can you share the spotlight when shaking cocktails is required? Then a job as supervisor bar at **Café Restaurant Eindhoven** might be the job for you!

Café Restaurant Eindhoven is located on the first floor of the iconic Lichttoren building.

The restaurant is owned by local entrepreneurs who know and understand the city and its increasingly international character well. In addition to the restaurant area, the location also houses a bakery, a coffee roasting house and a brewery. These three companies are locally rooted, stand for craftsmanship and high quality, and each works together with the restaurant.

The constant activity of these independent concepts creates an industrious atmosphere and generates a unique dynamic. Because the bakery opens its doors in the early morning, there is always something to do at Café Restaurant Eindhoven. It's a place where connections are made.
